Nazareth College Expectations of Students Using the Bus Service

When travelling on the Nazareth College Bus students must always carry their bus pass. This must be presented to the driver upon boarding.

As always, Nazareth students are expected to be courteous and polite to the bus driver and fellow students at all times.

Students should remember that when travelling on a Nazareth College Bus they are ambassadors for our community and as such should always represent the College in a positive manner.

Students catching a Nazareth College Bus are ambassadors for our community and are expected to wear their uniform correctly and with pride at all times.

Nazareth College is continually addressing the changing needs of our families. If you do not see a route which suits you, please contact the College to express interest in an alternative route.
