I have read Nazareth College's Academic Scholarship General Information sheet and understand that:

- My child / student will need to sit an external Edutest Scholarship Examination if it wasn't sat in the previous year.
- I must provide brief information to support my application eg my child's most recent school report/s.
- Edutest charge a fee for providing and correcting the Edutest Scholarship Examination.
- Registration and payment for the Edutest Scholarship Examination must be completed on the Edutest website by the closing date (Friday 20 May 2022).
- Meeting the relevant Edutest Scholarship Examination result (percentile ranking) does not automatically confer a scholarship, however, it may enable my child / student to be considered by interview.
- Following advice that the minimum percentile ranking has been achieved in the Edutest Scholarship Examination, I may be asked to provide evidence to support my application (refer General Information sheet).
- Following an examination of this evidence, selected students may be invited for interview where further testing and supporting evidence may be considered. At the end of this process, successful applicants will be offered a scholarship.
- All scholarship decisions will be final and at the sole discretion of Nazareth College – no correspondence will be entered into with unsuccessful applicants concerning reasons for non success.
- In the event that my child / student was offered and accepted a scholarship and subsequently transferred to another school before completing his / her education at Nazareth College, then, at the College's discretion, I will be liable to repay the school fees for that year in full.
