

# ADOBE SHARED DEVICE LOGIN

Open up a web browser and confirm connectivity to the internet by visiting an external website. An example of an external website is **https://apple.com** or **https://wikipedia.org**

Make sure you're logging to the Nazareth College internet by visiting **auth.localnetwork.zone**

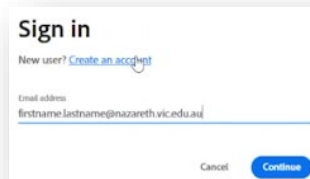

Click **Sign In**

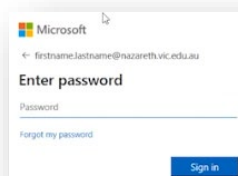

Open the Adobe application of your choice

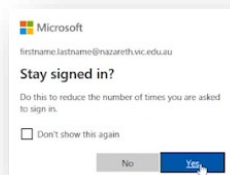

Login using your **Nazareth College email address**, then select **Continue**

Enter in your password when prompted

Select **Yes**

You will now be able to access Adobe application on shared devices
