## 7. Parental Acknowledgement

I have read Nazareth College's scholarship information and understand that:

- My child will need to sit an external scholarship examination.
- I must provide information to support my application eg my child's most recent school reports etc.
- A fee will be charged by the testing organisation for providing and correcting the scholarship examination.
- Registration and payment for the scholarship examination must be completed on the testing organisation's website by the closing date.
- Meeting the relevant scholarship examination result (percentile ranking) does not automatically confer a Scholarship, however, it may enable my child/student to be considered by interview.
- Following advice that the minimum percentile ranking has been achieved in the scholarship examination, I may be asked to provide evidence to support my application.
- Following an examination of this evidence, selected students may be invited for interview where further testing and supporting evidence may be considered. At the end of this process, successful applicants may be offered a scholarship.
- All scholarship decisions will be final and at the sole discretion of the Principal of Nazareth College – no correspondence will be entered into with unsuccessful applicants concerning reasons for non success.
- In the event that my child/student was offered and accepted a scholarship, and subsequently transferred to another school before completing his/her education at Nazareth College, then I will be liable to repay the school fees in full.
